Subject: RE: Meeting Monday (2/24) with Cowin cancelled - his office request reschedule.

Thanks for your note, Abi.

Just as you were sending me the message on the meeting cancellation, I was on the phone with Mark Cowin's office to ask if they were still coming.

I realize now that the second part of your message is that Mr. Cowin's people have actually requested that we reschedule the meeting, so he still wants to talk to Jared.

Stephanie and I had originally schedule the briefing for Jared on Friday (2/21) about the Bay Delta Conservation Plan (BDCP) to precede the (2/24) meeting with Mr. Cowin because I expect Mr. Cowin to ask Jared for leniency in our rating the NEPA document for the project. As you know, we (WTR, ERO, ORC) have recently had detailed briefings with Jared about the BDCP, and he briefed the Administrator on the topic, so Jared is really up-to-speed on this issue.

If you reschedule his meeting with Mr. Cowin on MAR 4th, we might not need to brief Jared on Friday (2/21) because the challenges/opportunities will still be fresh in his mind.

I could accompany Jared to the meeting in Sacramento (if he'd like company) as long as the meeting is scheduled for the afternoon of MAR 4th. That morning, I'll be over in Rancho Cordova at the Regional Water Board, but could reach DWR headquarters downtown as early as 12:30 (they're at 1416 Ninth Street).

If you choose to reschedule Jared's meeting with Mr. Cowin on APR 9th, then you can postpone the 2/21 briefing to a day or two prior to APR 9th so we can furnish Jared with the most up-to-date information.

Please let me know if I can be of any service on scheduling/re-scheduling these meetings.

Thanks, Tim

Jared has a couple of times when he may be in Sacramento – 3/4 and 4/9 – I will check if these dates will work.

Do you still want to brief him on Friday?
